
September Bear Report

A Compilation of Bear Sighting and Incident Reports

Bryan Peterson

Bear Smart Durango • October 10, 2012

Clockwise from upper left: Bear feeding on apples in a yard off CR 203 (courtesy: Garrett Andrews), bear damage to a fence in town (courtesy: Beth Lamberson), bear captured on a motion-activated trail camera near the Mason Center in town, and damage to a hot tub cover by a bear in town.

September 2012

Bear Sighting & Incident Reports

The following summary is a compilation of reports provided by Colorado Parks and Wildlife (CPW) and Bear Smart Durango (BSD) and includes unconfirmed sightings and incidents as reported by the public. The information is only as reliable as the accuracy (dates and/or rough block addresses) of reporting allows. The number of reports are not indicative of the number of bears as multiple reports could be attributed to individual animals.
